CATS points are credit points as defined under the nationally recognised Credit Accumulation and Transfer Scheme. You may be able to transfer these credit points to other higher education institutions. They are awarded at various levels within the Framework for Higher Education Qualifications (FHEQ): Level 4 equates to work of a standard equivalent to the first year of an undergraduate programme, Level 5 to the second year, and Level 6 to the third year. Two CATS points are equivalent to one ECTS credit.
